Hi Everyone!

We've confirmed our flights out leaving Anchorage at 10:00am and back leaving Tyonek at 4:30pm. We've also added Cindy Godsey, Alaska Mining Coordinator, to the list of EPA attendees. As Rob and I discussed today, this timeframe should allow plenty of room for arrival, coffee, meeting, lunch break, more meeting, a tour of the community, maybe another activity, and departure. Rob and I will be working on logistics and the detailed agenda next week.

I just wish we were coming out today! Hope the Culture Camp this weekend is great!

Katherine

Spernack Air departs at 10:00am from Anch. It maybe ideal to schedule
